## REPORT ON

### “A SEMINAR ON DEBATE ON DIFFERENT LANGUAGES”

<b>Name of the program</b>	: A Seminar on Debate on Different Languages
<b>Name of the Resource person</b>	: Mr. M. Surrender, Executive HR, Allsec, Chennai
<b>Date</b>	: 01.10.2021
<b>Time</b>	: 8.30 a.m. to 3.20 p.m.
<b>No. of Beneficiary</b>	: 130

- ❖ A Seminar on Debate on Different Languages program was scheduled and conducted on 01.10.2021 successfully. This program was very useful to the students to enhance their Debate on Different languages, their qualities and abilities that help to grow both by personally and professionally.
- ❖ This program was a necessary part of the learning process. Learning a language means putting student out there and moving out of their comfort zone. The upside is the amazing sense of accomplishment.
- ❖ It was useful to the student who speak more than one language have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask, and better listening skills. They switch between competing tasks and monitor changes in their environment more easily than monolinguals, as well as display signs of greater creativity and flexibility. If that weren't enough, as we age, being bilingual or multilingual also helps to stave off mental aging and cognitive decline.
