Respected Sir,

Sub.: Submission of 2020-2021 feedback from various stakeholders related to our curriculum and syllabus - Reg.

We are very much thankful to Anna University for considering most of our previous suggestions and incorporating them in the 2021-Regulations curriculum and syllabus.

We had taken feedback from various stakeholders (Students, Teachers, Alumni, and Employers) of our institution for enhancing the academic quality, and identifying the gaps in the curriculum as per the current requirement. We have listed below the key suggestions related to curriculum and syllabus. We are very pleased to bring this to your kind notice for further actions and improvements.

Suggestions related to curriculum and syllabus:

1. Few recommended text books and reference books are not available in the market related to the new emerging domains.
2. Most widely using and most popular product specific Technologies and Tools like Microsoft Office, AWS etc. can be included in the syllabus.
3. Add Some Practical relevant courses in the Curriculum.

Thanking you,
