GRT INSTITUTE OF ENGINEERING AND TECHNOLOGY

HUMAN RESOURCE POLICY MANUAL

About Us:

GRT Institute of Engineering and Technology has become the crown jewel in the field of technical education since its inception. The institution was promoted by GRT Mahalakshmi Charitable Trust and is governed by visionary extraordinaire philanthropist Shri. G. Rajendran, since 2010 whose contribution to the Indian Jewel Industry and Tourism and Hotel Industry remains outstanding.

Located on the Chennai-Tirupathi Highway near Tiruttani, GRTIET is perched amidst a sprawling 87-acre plot where 24.25 acres is dedicated for the institution, with a robust contemporary architecture befitting global standards.

Approved by AICTE, New Delhi and affiliated to Anna University, the institution has dawned as a present day doyen of Engineering Education. The institution aims at moulding students into technologically sound, efficient, creative and responsible global citizens capable of engaging with next generation challenges.

GRTIET is run by a team of eminent educationists whose dedication, commitment and expertise impart quality education, blended with a contemporary, yet pragmatic touch.

COURSE OFFERED

1. B.Tech. Artificial Intelligence and Data Science
2. B.E. Bio-Medical Engineering
3. B.E. Computer Science Engineering
4. B.E. Electronics & Electronic Engineering
5. B.E. Electrical & Electronic Engineering
6. B.E. Mechanical Engineering
7. MBA

Vision:

To be at the forefront of technical education, turning out high quality engineering and technical manpower to meet global needs, through academic excellence, stimulating a research-oriented ambience and inspiring teaching

PRINCIPAL
GRT INSTITUTE OF ENGINEERING & TECHNOLOGY
GRT MAHALAKSHMI NAGAR
CHENNAI-TIRUPATHI HIGHWAY
TIRUTTANI - 631 209.

Mission:

- Inculcating a culture of quality in all spheres of teaching and learning
- Providing fully equipped state of the art infrastructure and facilities

21. Disciplinary action:

All employees are liable for disciplinary action for disobedience, misconduct and dereliction/negligence of duty. However such disciplinary action shall be taken after establishing the grounds on which the disciplinary action is initiated and after a reasonable opportunity has been provided to the employee to defend him/herself

- Complaints of misconduct by a staff member are investigated by a disciplinary committee or adhoc committee constituted for the purpose by the Principal
- An employee may be placed under suspension by the appointing authority pending enquiry into framed charges by giving the employee a fair chance to represent his/her case. The Principal is empowered to suspend any employee if it is in the interest of the college and report his action to the management and the University as the case may be.
- As part of the disciplinary action, the following punishment for good and sufficient reasons may be imposed upon the employees of the institution, after establishing the facts about committing an offence and dereliction / negligence of duties.
 - i) Withholding increments/promotion Recovery caused to from his salary whole or part of any pecuniary loss the college due to negligence of duty or breach of orders/rules.
 - ii) Suspension
 - iii) Removal from service

22. Facilities and Amenities:

i. Identity Card (ID):

All GRT IET employees are required to have photo ID cards which they should carry with them to their respective work place and in the course of travel. GRT IET will issue these cards to new staff within 05 days of their joining the organization. At the time of cessation of service, employees are required to return their Identity Card to the organization which should be destroyed by GRT IET immediately.

ii. Chapters and Professional Associations:

All departments of the institution, through the active participation, of faculty and student associations need to initiate, establish and organize various academic and professional activities such as technical quiz, technical symposiums, workshops, guest lectures, technical fairs, seminars.

iii. Library:

Institution has an excellent library facility with a treasure of knowledge related to various disciplines and in addition digital library with a separate sever, space and internet facilities which are available for faculty/staffs and students. The faculty/staff members can take the books by using their ID cards. The library subscribe for National/International journals to encourage and create research atmosphere.

iv. Transportation:

Driven by a team of trained drivers, a large fleet of buses ply from all places catering to the needs of students and staff members for a comfortable and hassle free transport. The faculty/staff members can claim transport facilities, any such event, during the conduct of conferences/workshops or any other institution related official work and they can use the institution vehicles for guest pick-up using the prescribed vehicle booking form as annexed.

v. Medical Care:

Within the campus 24/7 General medical services are available along with Ambulance facility. The institution has appointed trained doctors & nurse with primary health equipment to attend on emergencies and / casualties and provide general medicine available for students and staff.

vi. Food Court:

The food courts are located at various locations to cater to the needs of the staff and students.

vii. Sports and Games:

The Physical Director provides sports facilities to the staff members of the institution. Apart from this, competitions are conducted during annual sports day celebrations of the institution. The winners and runner-ups are awarded prizes.

23. Students Merit Scholarship:

The GRT Institute of Engineering and Technology was established in 2010 with the vision of providing quality technical education for students from rural backgrounds. Taking into consideration the economic status of the students and to assist them in realizing their academic dreams, our institution has decided to provide scholarships for the students who come from economically backward families. The management made the following policy decisions as providing scholarships to deserving students who come from rural backgrounds and economically weaker sections

- Students who scored more than 170 cutoff in the higher secondary exam can obtain a 100% tuition fee waiver, and those who scored more than 150 cutoff can get a 50% tuition fee waiver.
- A two-year tuition fee waiver is provided to the school topper, who ranks in the top seven.
- Students who scored more than 1,000 marks will be eligible for a special scholarship.
- Special fee concessions will be provided to the sports person who is awarded by the state or central government.
- Students from other states who scored more than 75% of marks will be eligible for a merit scholarship.

24. Admissions Eligibility Criteria:

Candidates of HSC (Academic) and Other Equivalent Examinations

Community	Pass with minimum average marks in Maths, Physics & Chemistry put together
General Category	45%
Backward Class including Backward Class Muslim	40%
MBC and DNC	40%
SC/ST/SCA	40%

MBA:

Marks required- Candidates belonging to the General category need to obtain at least 50% marks (in aggregate), and those belonging to the reserved category need to secure 45% in the qualifying degree of examinations.

25. Mobilization of Funds:

The main financial resource for the Institute is by way of tuition fee. As per fee fixation committee and Anna University guidelines the tuition fee is fixed. The Sponsoring trust, GRT MAHALAKSHMI CHARITABLE TRUST, extends financial support to the Institute for the shortfall and ensures the availability of requisite funds.

a. Optimal utilization of resources:

An annual budget is prepared to ensure optimal utilization of financial resources, based on the estimates received from the departments and functional units of the Institute. The amount is sanctioned by the Chairman / Board of Trustees. Monthly statements are prepared for income and expenditure. Audit is performed periodically to ensure that the budget is optimally utilized for the purpose it is intended. The resources in the form of facilities and equipment are maintained to ensure optimum performance. Annual maintenance contract is in position for the equipment and software.

PRINCIPAL
GRT INSTITUTE OF ENGINEERING & TECHNOLOGY
GRT MAHALAKSHMI NAGAR
CHENNAI-TIRUPATHI HIGHWAY

Mobilization of Funds for various resources:

Funds are mobilized from the following resources.

1. Student Tuition Fees, Fixed Deposit Amount, Government and Non-Government Agencies.
2. Additional funding sanctioned from various funding agencies such as AICTE, TNSCST for research and seminar proposals submitted by various departments.

b. Budget Preparation

Systematic process of preparing budget, accounting, systematic purchase and bill settlement process along with regular periodical audit are the important aspects of making best use of financial resources. Our institution has a proper system for effective and efficient use of available financial resources. The funds are allocated to each department during the preparation of yearly budget. This budget is generally for the requirement or up-gradations.

c. Auditing

A qualified Chartered Accountant reviews the accounts/entries on quarterly basis. Suggestions/objections, if any, raised by the Chartered Accountant are discussed with the management for necessary action. Every year the accounts are further reviewed and finalized by external auditors and audited financial statements are prepared. The balance sheet is verified by the internal auditors and submitted to the management. Based on this report the budget for the next academic year is prepared effectively. The internal audit helps the management to understand the financial requirements and the suitable suggestions are given / taken to utilize the fund mobilized through various sources.

Energy Policy

Energy Policy

Date of Implementation	10.11.2020
Type Policy	Energy Policy

The Environment and Energy usage Policy of GRT institute of Engineering and Technology (GRTIET) is to manage energy in such a systematic way to minimize its impact on the environment.

The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out alternate resources as solutions to the energy crisis. This environment and energy policy is binding for all the components of the institution and applies to all its stake holders and to the various activities undertaken by the institution.

It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

Green Campus Committee is devoted to the cause of environmental awareness, to undertake green initiatives and to conduct green literacy programmes for saving the energy and protecting the environment.

Policies:

- To reduce local air pollution emissions using environment-friendly vehicles, including bicycles and use of pedestrian-friendly roads.
- To install photovoltaic solar panels for the generation of Green energy.
- To install LED bulbs in the whole campus to save energy.

This policy is being communicated to the students and the employees via internal communication channels and the same is made available to all the stakeholders in the institutional website. The Environment and Energy Policy, objectives and targets are reviewed on a regular basis by the Green Campus Committee Convener and its members under the guidance of the Principal of the college.

Degradable and Non-Degradable Policy

Degradable and Non-Degradable Policy

Date of Implementation	10.11.2020
Type Policy	Degradable and Non-Degradable Waste Policy

GRTIET is committed to make its campus as a place where education is combined with environment friendly practices to promote sustainable development by

- **Degradable and Non-Degradable waste bins**

The college encourages the employees and students to use waste bins for collecting degradable and non-degradable wastes. Separate waste bins for degradable and non-degradable waste are placed at the entrance in each block.

- **Use of Garbage collection vehicles**

All the agriculture, food, degradable and non-degradable wastes are being collected with the aid of garbage collecting vehicles including trucks and tractors which help in transporting these wastes.

- **Bio gas plant**

GRTIET campus has planned to erect a bio gas plant which will be helpful in converting wastes into bio-fertilizer. Bio gas obtained from the food waste is used for cooking.

- **Food waste collection**

Food waste obtained from canteen, guest houses and hostel is being collected separately using bins placed in each place which is sent to poultry farm.

- **Segregation of non-degradable waste**

Non-degradable wastes is being collected and it is stored in separate rooms for segregation.

- **Sewage treatment plant**

Sewage water is treated, recycled and the treated water is used for watering the gardens and lawns maintained in the campus. The sludge settled in Sewage Treatment Plant is removed and dried on drying beds and used as manure for the gardens. The entire sewage waste is recycled and used for other purposes in the campus.

- **E-waste management**

E-waste is collected and it is stored in separate rooms which may be further sold out to the needy every year.

Non repairable e-waste like obsolete devices such as computer systems, servers, monitors, compact discs, printers, scanners, calculators, fax machine and battery cells are used as models to explain concepts to the students.

The faculty, the non-teaching staff and the students are encouraged to contribute collectively to develop the clean and eco friendly campus.

Water Conservation Policy

WATER CONSERVATION POLICY

Date of Implementation	10.11.2020
Type Policy	WATER CONSERVATION

Water Conservation facilities in the Institution

The water management and waste water management techniques are well-maintained in the campus. The institution implemented excellent waste management procedures in the hostel, kitchen, toilets and bathrooms. The following are the water conservation services provided by the institution.

1. Rain water Harvesting

- Rain water harvesting facility is available in the campus. The rain water is collected from the roof top of the buildings and in open areas which have high run off co-efficiency.
- The rain water collected from the roof top of the buildings are collected through percolation method.
- The RWH facility is scientifically planned in order to maximize the collection and the water is channeled to the specifically constructed college pond.
- Almost 70% of rain water in the campus is collected and directed to the pond which is located in the college campus. The total capacity of the pond is about 5924000 Liters.
- Rain water harvesting system with Bore well is located in the campus
 - a. A Block
 - b. B Block
 - c. C Block
 - d. D Block
 - e. GROUND

PRINCIPAL
GRT INSTITUTE OF ENGINEERING & TECHNOLOGY
GRT MAHALAKSHMI NAGAR
CHENNAI-TIRUPATHI HIGHWAY
TIRUTTANI - 631 209.

2. Bore Well

➤ Stored Rain Water is able to effectively recharge the bore wells. The bore wells are periodically monitored and maintained by the plumbers and if any problem is identified, immediate action is taken.

➤ Bore wells located in the campus

- A Block

Dimensions (depth 600 ft, water level: 60 ft)

- B Block (2 bore well)

Dimensions (depth 600 ft, water level: 300 ft)

- C Block

Dimensions (depth 600 ft, water level: 200 ft)

- Ground

Dimensions (depth 800 ft, water level: 400 ft)

- Near pond

Dimensions (depth 600 ft, water level: 250 ft)

3. Construction of Tanks and Bunds

➤ Overhead tanks are constructed at the top of the buildings for the purpose of supplying the water to be distributed among the floors.

➤ The water stored in the tanks are used for fulfilling the water requirements in the campus such as rest rooms, hand wash, cleaning purposes, gardening etc.

➤ The over tank capacity is 20KL is located in A Block, B Block (2), C Block, and D Block.

4. Maintenance of Water Bodies and Distribution System in The Campus

➤ Water distribution in the campus is well established with adequate facilities to fulfill the water needs of users.

➤ Rain water is also one of the sources of water available in the college. Nearly five rain water harvesting tanks are constructed to collect rain water. The overhead tank is supplied from Ground Water Source after getting treated in the RO Plant which is then distributed to all buildings inside the campus through properly connected taps.

**GRT INSTITUTE OF
ENGINEERING AND
TECHNOLOGY, Tiruttani**

Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai
(An ISO 9001:2015 Certified Institution)

- A well laid pipe network is arranged to distribute the water. This ground water is pumped up to storage tanks located at various places inside the college campus.
- Water is purified and desalinated in the RO plant and supplied for drinking purposes. The rejected water from RO is collected and it is used for campus gardening purposes.

1 KLD can be distributed through RO plant in each block. (Block A, B, C, D).

Green campus Policy

Green Campus Policy

Date of Implementation	10.11.2020
Type Policy	Green Campus Policy

GRTIET is committed to make its campus as a place where education is combined with environment friendly practices to promote sustainable development by

- **Restricted entry of vehicles**

All the vehicles of the college and personal vehicles of the staff members must have the emission certification in order for getting green signal for entry into the campus.

The college encourages the employees and the students to frequently use public transport facilities, bicycles, etc. to limit the emissions.

- **Use of Bicycle/ battery powered vehicles**

College uses the Battery-powered vehicles for in- house transport. The electricity used in the campus is generated within with the Green - Technology.

- **Pedestrian-friendly pathways**

GRTIET campus prides itself in ensuring the Pedestrian-friendly pathways in all the buildings. Pedestrian-friendly pathways are properly marked with suitable logo/sign.

- **Ban on use of Plastic**

GRTIET is strongly committed to work towards plastic-free campus. In the GRTIET campus, there is complete ban on single-use plastics.

- **Landscaping with trees and plants**

As per the green practices in the campus GRTIET is moving in the direction of a Green Institution in Tiruttani by planting more number of saplings of trees within and outside the campus.

Medicinal plants and fruit bearing plants and trees are being cultivated to ensure the conducive atmosphere.

The faculty, the staff and the students are encouraged to contribute collectively to develop eco-friendly and sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.

Divyangjan Policy

INSTITUTIONAL POLICY ON DIVYANGJAN

Date of Implementation	10.11.2020
Type Policy	POLICY ON DIVYANGJAN

Introduction:

The Institute is well aware of its role in providing necessary guidance and counseling to the students with Locomotor Disabilities (Divyangjan). Accordingly, the institute follows certain practices to support the Divyangjan students.

Objective:

To understand the various rights, regulations, scholarship provisions, facilities and opportunities guaranteed by the legislation on the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) rules, 1996 and Amended Rules for Persons with Disabilities and to implement the same for the Divyangjan.

Policies and Measures

- The institute ensures admission to as many differently-abled students as possible.
- The institute provides fee concessions and assistance during examinations if required and other needs are also fulfilled pertaining to differently-abled persons.
- Assesses their educational needs, determines and ensures the availability of assistive devices.
- Assists in placement opportunities.
- Celebrates important days pertaining to disability such as the World Disabled Day and Blind Walk for differently-abled persons.

Infrastructural facilities:

- All existing structures are disabled friendly and the future as well as future construction projects in the campus will be made differently-abled friendly.
- Special facilities such as ramps, battery car, wheelchair and special toilets are available to suit the special needs of differently-abled persons.
